

XV MIĘDZYNARODOWY FESTIWAL GOMBROWICZOWSKI

8-15/10/2022

"DANCER" HAS ENCHANTED THE AUDIENCE ON THE KAMERALNA STAGE!

On the fifth day of the 15th International Gombrowicz Festival, on the Kameralna Stage, Jan Kochanowski Popular Theatre in Radom presented the play "Dancer" based on "Lawyer Kraykowski's dancer" directed by Kinga Dębska.

It is a story about love that sometimes takes a morbid form of an obsessive fascination.

The performance is filled with emotions, sensuality, enriched with pre-war songs about love in modern arrangements by Łukasz Matuszyk - the audience may not remain indifferent, as evidenced by comments and emotions.

After the performance, at the Festival Studio, an interview with the artists: Agnieszka Grębosz, Natalia Samojlik, Mateusz Michnikowski led by Robert Utkowski. We encourage you to watch it.

Tonight the master of the stage, Mikołaj Grabowski, will perform on the "Diaries" on the Large Stage! We are waiting for further artistic impressions !!!
